Tournament Rules:

- Players who accumulate 300,000 in tournament chips (the “Milestone”) or more will instantly win a cash valued prize of \$2,320. Upon verification by poker room management, the player who achieves the Milestone will cease play and have their chips removed from play.
 - It is the player’s responsibility to identify when they have reached the Milestone and to notify poker room management immediately. Any player dealt into a hand must complete the hand before verification of the Milestone. Any players at the table and/or the dealer may help identify and alert any players who may have reached the Milestone.
 - The tournament will conclude when the number of players remaining is equal to the remaining number of \$2,320 cash prizes to be awarded, less the number of Milestone \$2,320 cash prizes already awarded. Any odd monies will be awarded to the last player eliminated prior to the conclusion of the tournament (bubble).
 - All tournament prizes are \$2,320 each with any odd monies awarded as one additional payout.
-
- Players start with 15,000 tournament chips plus 15,000 chips for optional staff add-on; seating is limited to 90 players plus alternates. Registration must be completed in person beginning at 9am on the day of each event separately and will remain open through the end of the first break. Reentry allowed through registration period. Only players not seated after registration closes will be refunded. No rebuys or add-ons.
 - TDA rules will govern play where house rules do not. Players are responsible for string bets.
 - In cases where the player in the big blind is all-in, the blind shall be posted prior to the ante.
 - At the final table, the ante will change to half the size of the big blind for the remainder of the event.
 - Management reserves the right to alter, change or cancel tournament. Management will not be held responsible in the event of typographical errors or misinformation on the website or printed material pertaining to this event; players have no claim in this matter.
